# LINKCOMMUNITY

# The Workplan

## Good practices

Mapping of good practices for the capacity building of the educating community. After the transnational training of the staff we will proceed to the Link HUB action for the development of ideas

## Link Lab

Implementation of the educational project. After the transnational training of the staff, we will proceed to the activation of thematic workshops for minors.

## Community Lab

Community project implementation. After the transnational training of the staff, we will proceed to support the development of bottom up welfare projects, for the creation of community relations.

**DISCOVER  
GOOD  
PRACTICES.  
GET  
INSPIRED.**

## The project

The aim of the project is the promotion of processes and models of participation in the educational and social sphere of minors and their families, in particular in the contexts of urban, economic and social peripheralization.

Objectives of the exchange of good practices are:

- ¥strengthen the role of the school and of all actors in the educational process;
- ¥ promote the active involvement of families in educational services;
- ¥ develop the sense of re-appropriation of common spaces, citizenship and legality of children;
- ¥ promote cognitive and relational skills, and the creative thinking of minors.
